Education

Federal Polytechnic Ile-Oluji, Ondo State Nigeria.

- Am in the second year of my National Diploma studying computer engineering at the Federal Polytechnic with a CGPA of 3.70

Skills

- React.js
- Django
- Data Analyst
- Web Scraper

About

I am a React.js and Django Developer, python Data Analyst and Web Scraper. Although I have not gotten any chance to work with any renowned company, I still work on personal projects that do well to show that I am qualified enough to work in any software company or for anybody.
